# C EO MESSAGE

Sichuan Xiang Yue Power Line Components Co., Ltd.

Yours  
A handwritten signature in black ink.  
CEO

Reliability、 productivity and innovation are key aspects of global business environment today. We aim to it.

X.Y. Tower Co., Ltd. was found in 2008 when it was a start-up company. Under the leadership of the management and effort of all staff, X.Y. Tower now has developed a professional tower manufacturer and one of the largest companies of this industry in the western China.

X.Y. Tower offers a “one-stop shop” for trading business of electrical equipment, tower design and tower manufacturing.

We have a professional and reliable team. We are quite experienced know how to meet the requirements of customers. And we have confidence to make an excellent solution and ensure that our solutions are fully operational, efficiently functional and remain flexible at all times.

It is now for our valued customers to decide how far X.Y. Tower has succeeded in meeting or exceeding their expectations and reward us with an honest feedback to serve them better.

I hereby sincerely hope that with our new and regular customers, let’s create a better future together !
